(Building Permit Officer)

Your Building permit has been approved. Please note that construction between the hours of 7:00PM and 7:00AM Monday through Saturday and Sunday between the hours of 7:00PM and 12:00PM are not permitted. Any neighbor or property dispute in the issue of this permit is your (property owner or representative) responsibility to resolve.

Example: Property lines, property lot or survey accuracy. It is your responsibility to assure you are building/renovating inside of or on your property or lot.

The Borough of Williamstown does not have zoning or a comprehensive plan and it's your responsibility to assure that any Dauphin County land use rulings for building and constructing on your property are followed that may relate to this building permit and your building or renovation project.

****If your construction of a garage, car port, or shed involves electrical or plumbing work you must also apply for a Light-Heigel Associates permit for these inspections****
